

Frequently Asked Questions

What is the American Girl Fashion Show?

- The American Girl Fashion Show and luncheon brings the styles and personalities of the American Girls to life as they walk the runway and mingle with the guests. The event includes:
 - The American Girl Fashion Show
 - Lunch
 - Door and raffle prizes
 - American Girl boutique
 - Professional photo opportunities
 - American Girl bookseller
 - A preview performance by the Cuyahoga Valley Youth Ballet during intermission.

Should guests bring their American Girl dolls?

- Many girls choose to bring their dolls (they don't have to be American Girl)

What should we wear?

- This is an opportunity for guests to put on that special dress or outfit.

How long is the show?

- The show and luncheon last approximately two hours. This time period includes an intermission and door prize drawing.

How many people are seated at each table?

- Ten guests are seated at each table, on a first come, first served basis.

May we request to be seated with our friends?

- We ask that parties who wish to be seated together send their forms and checks together **in one envelope**. Every effort will be made to accommodate each request. We ask for your understanding that there may be space limitations.

What is the menu?

- The plated lunch consists of a mini croissant with chicken salad, assorted tea sandwiches, vegetables and dip, fruit, and a special dessert. Beverages include tea, coffee, and lemonade. Due to the risk of allergies, we will not be serving any peanut butter.

What is a "Guest Model?"

- Join the fun as a Guest Model! Guest Models are escorted down the runway by a cast member, and appear on stage for the finale. Participants will be introduced with a brief summary sharing a few interesting facts about themselves. The cost of the guest model experience is an additional \$30. Guest Model requests must be submitted and acknowledged **prior** to sending the ticket order form. For more information, please contact Sue Figler at figsky@sbcglobal.net
